

Pasta Cooker 24 kW

G9M200E

Pasta Cooker 24 kW

G9M200E

Short Form Specification

Name: _____

Item: _____

Model: _____

General Features

- Stainless steel body
- Easy to clean and hygenic
- Safety Thermostat
- Ergonomic design
- Adjustable legs
- Long life
- Single or double cooking containers

Product Highlighting Details

- Working and safety thermostatic temperature control
- On –off switch with lights when reaching to the required temperature.
- Cooking container with overflow drain
- Stainless steel tube heaters
- Indicator lights when reaching to the required temperature
- Operating temperature range (0-120 ° C)

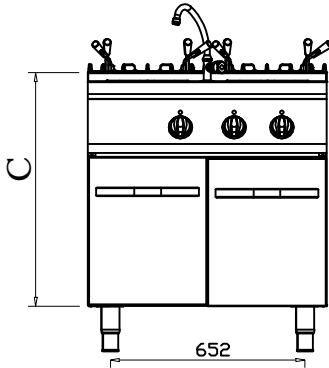

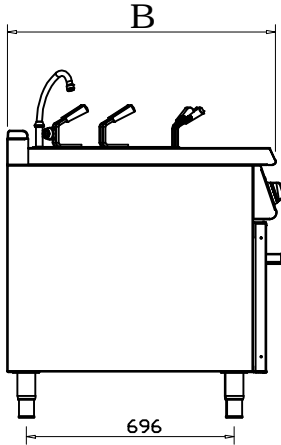

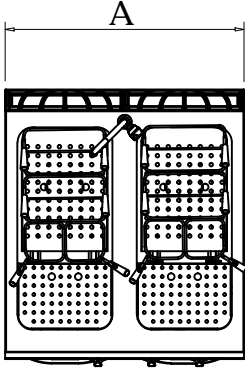

Construction

APPROVAL: _____

KUSINA

Pasta Cooker 24 kW

G9M200E

Kod - Code	G9M200E
Genişlik - Width (A)	800
Derinlik - Dept (B)	900
Yükseklik - Hight (C)	900
Elektrik Giriş - Electrical Inlet	400 V 3N PE
Güç - Power	24 kW
Ağırlık - Weight (kg)	83
Hacim - Volume (mm ³)	1,05
Kapasite - Capacity (Lt)	2x30
